Cleveland Marriott Downtown

Unite 2 Fight Paralysis (U2FP) is bringing its 14th Annual Working 2 Walk (W2W) Symposium to Cleveland for the first time in 2019. The conference, to be held at the Cleveland Marriott Downtown hotel, attracts a highly targeted and knowledgeable audience of the Spinal Cord Injury (SCI) community. We bring together research scientists, clinicians, investors, industry and community advocates, exchanging information and strategies for achieving recovery from SCI.

"This is my favorite conference of the year, because I get to speak to so many people with spinal cord injuries."

- Dr. Jerry Silver, Neuroscientist at Case Western Reserve University
