ANNUAL SCIENCE & ADVOCACY SYMPOSIUM*

September 23-24, 2022

Sheraton Salt Lake City

Unite 2 Fight Paralysis (U2FP) is bringing its 17th Annual Symposium to Salt Lake City. Our conference attracts a highly targeted and knowledgeable audience of the Spinal Cord Injury (SCI) community. We bring together research scientists, clinicians, investors, industry and community advocates, exchanging information and strategies for achieving recovery from SCI.

"It was a first-rate meeting." - Dr. Phillip Popovich, Professor and Chair, Department of Neuroscience & Director of the Center for Brain and Spinal Cord Repair, Ohio State University

"A fantastic networking opportunity for me, both to extend my knowledge and enable action."
- Corinne Jeanmaire, EndParalysis Foundation
