

Unite 2 Fight Paralysis

ANNUAL SCIENCE & ADVOCACY SYMPOSIUM

February 15-16, 2026

Washington DC area

Unite 2 Fight Paralysis (U2FP) is bringing its 20th Annual Symposium to the Washington DC area. Our conference attracts a highly targeted and knowledgeable audience of the Spinal Cord Injury (SCI) community. We bring together research scientists, clinicians, investors, industry and community advocates, exchanging information and strategies for achieving recovery from SCI.

"A first-rate meeting."

- Dr. Phillip Popovich, Professor and Chair, Department of Neuroscience & Director of the Center for Brain and Spinal Cord Repair, Ohio State University

"I left this symposium with a much better understanding of the big picture and was energized to think about what more can I do."

- Nathan Torgerson
Senior Distinguished Systems Engineer, Medtronic
